Subject: RE: Documents referenced in the FR Notice

Hi Elliot,

Jackie is contacting CDC regarding your question below on the availability of the documents, since the CDC is the originator of the FR notice.

Regarding the RMA meeting, yes; EPA is still meeting with the RMA tomorrow. Not sure if you received my response to your request to attend last week, but in it I indicated that because EPA does not have an "open meeting" policy as does CPSC, and RMA requested the meeting with EPA (similar to how Nancy requested our recent meeting with the Synthetic Turf industry), the meeting is considered RMA's meeting and so you would need to contact RMA directly if you wanted to attend.

Thanks, and we'll get back to you as soon as possible with an answer to your question about the documents.

Subject: Documents referenced in the FR Notice

Jackie/Nicole –The Crumb rubber FR Notice references the following documents that I am unable to locate in the docket:

- Synthetic Turf Fields Questionnaire (40 respondents)
- Field Sampling Collection Form (40 respondents)
- Facility User Questionnaire (60 respondents)
- Full Exposure Characterization Form (45 respondents)

Would you be able to forward those documents or provide a link to them?

Also, is EPA still meeting with RMA tomorrow? Are you able to ask whether I can attend?

Regards,

Elliot Belilos
